E-Meeting Platform : “Shareholders meeting e-Voting Platform - Hybrid Shareholders' Meeting” by
Taiwan Depository & Clearing Corporation

Attendance: The shareholders present in person or by proxy represented 163,931,804 shares
(including 44,740,417 shares attended through electronic means), which accounted for
78.39% of the total shares outstanding.

Directors present: Ta-Wen Sun, Chein-Ming Hsu, Ching-Yi Chang, Chun-Chi Lin

Independent Directors present: Wen-I Lo, convener of the Audit Committee; Yung-Shun Chuang,
convener of the Compensation Committee; Shi-Chern Yen

Guests: Fang-Wun Li, CPA; Zong-Han Jiang, General Manager.

Chairperson: Chein-Ming Hsu, Vice Chairperson of the Board(substitute) Recorder:
Mei-Hsien Su

I. Chairperson's Opening Remarks (omitted)

II. Report Items

1. Appropriation of remuneration to directors and compensation to employees in 2021
(Please refer to the meeting agenda.)
2. Business report for 2021 (Please refer to the meeting agenda.)
3. Audit Committee's review report on the 2021 financial statements. Please refer to
Attachment I.
4. Issuance situation of the first overseas unsecured convertible bonds. (Please refer to the
meeting agenda.)

III. Ratification Items

Item 1 (Proposed by the Board of
Directors)

Subject: To ratify the 2021 financial statements

Explanation: 1. The 2021 business report and consolidated and parent company only financial

statements, which were audited by Certified Public Accountants of Ernst & Young, Fang-Wun Li and Jheng-Chu Chen, were reviewed by the Audit Committee.

2. Please refer to Attachment II for the financial statements.
3. Please ratify the above-mentioned financial statements.

Resolution: The voting result showed that 160,929,569 votes were in favor of the proposal, which accounted for 98.16% of the total represented shares present; 1,633 votes were against the proposal; 3,000,602 votes were abstained/withhold; and there was no invalid vote. The proposal was ratified by the majority of voting rights represented at the time of voting.

Item 2
Directors)

(Proposed by the Board of

Subject: To ratify the distribution of 2021 earnings

Explanation: 1. The earnings available for distribution of NT\$3,438,932,769 is calculated by adding the unappropriated earnings from previous year of NT\$2,765,352,595, and the remeasurement of defined benefit plan transferred into retained earnings directly of NT\$15,655,058 to net income for 2021 of NT\$734,653,650, and appropriating 10% of the sum of net income and items, other than the net income, included in the current year's undistributed earnings, i.e. NT\$75,030,871, for legal reserve and NT\$1,697,663 for special reserve.

2. Dividends to shareholders:

Shareholders will be entitled to receive a cash dividend of NT\$2.5 per share and the overall cash dividend amounts to NT\$522,799,230. Unappropriated earnings at the end of period of NT\$2,916,133,539, net of dividends, will be retained for distribution in later years. Earnings from 2021 will be distributed first. Cash dividends to be paid are rounded to the nearest dollar. Dividends of fractional dollar amount to an individual shareholder are transferred to the Employee Welfare Committee of the Company.

3. The earning distribution plan is calculated based on the number of outstanding shares as of the date on which the proposal is approved in the Board meeting. In the event that there are changes in the total number of outstanding shares due to exercise of employee stock options, conversion of convertible bonds into common shares, capital increase by cash, stock buyback, or transfer or cancellation of

treasury stocks and the dividend distribution rate is affected, the Chairperson is authorized to adjust the cash dividend to be distributed to each share based on the total amount of cash resolved to be distributed and the actual number of outstanding shares on the record date.

4. When the conditions for this earning distribution are changed due to amendments to laws or decisions of regulators, the Chairperson is authorized to take all necessary measures.

5. The 2021 earning distribution table is as follows:

Taiflex Scientific Co., Ltd.
2021 Earning Distribution Table

(In New Taiwan Dollars)

Item	Subtotal	Total	Note
Unappropriated earnings, beginning balance		2,765,352,595	
Add: Net income of 2021	734,653,650		
Other comprehensive income (Remeasurement of defined benefit plan) (Note 1)	15,655,058		
Less: Legal reserve (Note 2)	(75,030,871)		
Special reserve (Note 3)	(1,697,663)		
Distributable earnings		3,438,932,769	
Distribution item: (Note 4)			
Dividends to shareholders - cash	522,799,230		NT\$2.5 per share
Total distributed earnings		(522,799,230)	
Unappropriated earnings, ending balance		2,916,133,539	

Chairperson: Ta-Wen Sun President: Zong-Han Jiang Accounting Manager: Fang-Yi Xie

(Note 1) The remeasurement of defined benefit plan under IAS 19 is transferred into retained earnings directly instead of through profit or loss account.

(Note 2) In compliance with changes in the domestic accounting standards, when an entity appropriates legal reserve pursuant to Article 237 of the Company Act, the basis for the recognition is changed from net income to the sum of net income and items, other than the net income, included in the current year's undistributed earnings starting from the appropriation of 2019 earnings.

Legal reserve appropriated is calculated as follows: $(734,653,650 + 15,655,058) * 10\% = 75,030,871$

(Note 3) In accordance with rules set by the Financial Supervisory Commission, when appropriating distributable earnings, the Company shall set aside a special reserve equal to other net deductions from shareholders' equity of the current year from the profit/loss of the current period and the undistributed earnings of the previous period. For other net deductions from shareholders' equity accumulated during previous periods, an equal amount shall be set aside from the undistributed earnings of the previous period, and the amount shall not be distributed. However, if the Company has already set aside special reserve according to the requirements in the preceding subparagraph, it shall set aside supplemental special reserve based on the difference between the amount already set aside and other net deductions from shareholders' equity.

(Note 4) The distribution item above is calculated pursuant to the Articles of Incorporation. The amount and percentage are calculated as follows:
Dividends to shareholders: Cash dividend of NT\$2.5 per share * 209,119,692 shares = NT\$522,799,230.

6. Please ratify the distribution of 2021 earnings.

Resolution: The voting result showed that 161,148,678 votes were in favor of the proposal, which accounted for 98.30% of the total represented shares present; 3,633 votes were against the proposal; 2,779,493 votes were abstained/withhold; and there was no invalid vote. The proposal was ratified by the majority of voting rights represented at the time of voting.

IV. Discussion Items

Item 1

Subject: To amend the "Articles of Incorporation" (Proposed by the Board of Directors)

Explanation: 1. In response to business needs and amendments to the Company Act, the Company proposes to amend some articles within the "Articles of Incorporation".
2. Please refer to Attachment III for the Comparison Table of Amendments to "Articles of Incorporation".
3. The draft amendment is submitted for discussion and approval.

Resolution: The voting result showed that 158,800,202 votes were in favor of the proposal, which accounted for 96.86% of the total represented shares present; 2,350,097 votes were against the proposal; 2,781,505 votes were abstained/withhold; and there was no invalid vote. The proposal was approved by the majority of voting rights represented at

the time of voting.

Item 2

Subject: To amend the “Rules of Procedure for Shareholders’ Meeting” (Proposed by the Board of Directors)

Explanation: 1. The amendments to Article 172-2 of the Company Act allow public companies to convene virtual shareholders’ meetings. In compliance with amendments made by the competent authorities to the “Sample Template for XXX Co., Ltd. Rules of Procedure for Shareholders Meetings”, the Company proposes to amend some articles within the “Rules of Procedure for Shareholders’ Meeting”.

2. Please refer to Attachment IV of this meeting agenda for the Comparison Table of Amendments to “Rules of Procedure for Shareholders’ Meeting”.

3. The draft amendment is submitted for discussion and approval.

Resolution: The voting result showed that 160,835,918 votes were in favor of the proposal, which accounted for 98.11% of the total represented shares present; 312,381 votes were against the proposal; 2,783,505 votes were abstained/withhold; and there was no invalid vote. The proposal was approved by the majority of voting rights represented at the time of voting.

Item 3

Subject: To amend the “Procedures for Acquisition or Disposal of Assets” (Proposed by the Board of Directors)

Explanation: 1. In compliance with amendments made by the competent authorities to the “Regulations Governing the Acquisition and Disposal of Assets by Public Companies”, the Company proposes to amend some articles within the “Procedures for Acquisition or Disposal of Assets”.

2. Please refer to Attachment V of this meeting agenda for the Comparison Table of

Amendments to “Procedures for Acquisition or Disposal of Assets”.

3. The draft amendment is submitted for discussion and approval.

Resolution: The voting result showed that 161,148,635 votes were in favor of the proposal, which accounted for 98.30% of the total represented shares present; 1,666 votes were against the proposal; 2,781,503 votes were abstained/withhold; and there was no invalid vote. The proposal was approved by the majority of voting rights represented at the time of voting.

V. Extempore Motions: None.

VI. Meeting Adjourned: 9:25 a.m., May 26, 2022

The minutes of the shareholders' meeting only states the key points of the meeting, and the results of the resolution. The content, procedures and shareholders' speeches of the meeting are based on the video of the meeting.

Attachment I - Audit Committee's Review Report for 2021

Audit Committee's Review Report

The Board of Directors has prepared the Company's 2021 business report, consolidated and parent company only financial statements and earnings distribution proposal. The consolidated and parent company only financial statements were audited by independent auditors, Fang-Wen Li and Jheng-Chu Chen, of Ernst & Young with independent auditors' reports issued.

The above-mentioned business report, consolidated and parent company only financial statements, and earnings distribution proposal have been reviewed and determined to be accurate by the Audit Committee. According to Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, we hereby submit this report.

Taiflex Scientific Co., Ltd.

Convener of the Audit Committee: Wen-I Lo

February 23, 2022

Attachment II - Independent Auditors' Report and 2021 Consolidated Financial Statements

Independent Auditors' Report

To Taiflex Scientific Co., Ltd.

Audit opinion

We have audited the consolidated balance sheets of Taiflex Scientific Co., Ltd. and its subsidiaries (hereinafter referred to as "Taiflex Group") as of December 31, 2021 and 2020; and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to consolidated financial statements (including a summary on significant accounting policies).

In our opinion, the aforementioned consolidated financial statements present fairly, in all material respects, the consolidated financial status of Taiflex Group as of December 31, 2021 and 2020, and its consolidated financial performance and cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for audit opinion

We conducted our audits in accordance with the Regulations Governing the Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of Taiflex Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China ("the Norm"), and we have fulfilled our other responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are ones that were of most significance in our audit of the consolidated financial statements of Taiflex Group for the year ended December 31, 2021 based on our professional judgment. These matters have been covered during the audit of the overall consolidated financial statements and in forming the audit opinion. We will not express a separate opinion on these matters. Key audit matters to be communicated on the independent auditors' report are stated as follows:

1. Impairment of receivables

Net receivables generated from the selling of flexible copper-clad laminate and cover layer amounted to NT\$3,963,359 thousand and accounted for 30% of Taiflex Group's consolidated total assets as of December 31, 2021. Hence, it was considered a material item to the Group. Loss allowance for accounts receivables was measured at an amount equal to lifetime expected credit losses. As the measurement of expected credit losses involved judgment, analysis and estimation and the outcome would affect the net accounts receivables, the impairment of receivables was identified as a key audit matter.

Our audit procedures included, but not limited to, the assessment on the appropriateness of expected credit loss rate for receivables, i.e., tests on the effectiveness of internal control

established by the management for receivables, random selection of customers for receivable confirmations, and verification of subsequent collections in order to assess the recoverability of receivables. We tested the accuracy of aging, analyzed changes in aging, and assessed the reasonableness of receivables with longer collection terms.

We also considered the appropriateness of disclosures on receivables and associated risks in Notes 5 and 6 to the consolidated financial statements.

2. Inventory valuation

As of December 31, 2021, net inventories of flexible copper-clad laminate and cover layer amounted to NT\$1,868,747 thousand; thus, it was a significant item to Taiflex Group. Due to uncertainties arising from rapid changes in product technologies, allowance for inventory obsolescence and valuation losses involved significant judgment of management. Hence, it was considered a key audit item.

Our audit procedures included, but not limited to, tests on the effectiveness of internal control established by the management for inventories, such as cost carryover of inventories, assessment on inventory status, evaluation on management's stocktaking plans, and on-site observation of stocktaking at major warehouses to ensure the quantities and conditions of inventories. We assessed the accuracy of inventory aging, analyzed movements in inventory aging, and considered the expected demand and market value of inventories. We evaluated management's analyses and assessments on obsolete inventories, including the estimations on the possibility of inventory realization and net realizable value, and tested whether the allowance for writing down inventories to their net realizable value was adequate.

We also considered the appropriateness of disclosures on inventories in Notes 5 and 6 to the consolidated financial statements.

Responsibilities of management and those charged with governance for the consolidated financial statements

The responsibilities of management are to prepare the consolidated financial statements with fair presentation in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and IFRSs, IASs, IFRICs, and SICs endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and maintain necessary internal controls associated with the preparation in order to ensure the financial statements are free from material misstatement arising from fraud or error.

In preparing the consolidated financial statements, management is also responsible for assessing the ability of Taiflex Group in continuing as a going concern, disclosing associated matters and adopting the going concern basis of accounting unless the management intends to liquidate the Taiflex Group or cease the operations, or has no realistic alternative but to do so.

Those charged with governance of Taiflex Group (including the Audit Committee) are responsible for supervising the financial reporting process.

Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance on whether the consolidated financial statements as a whole are free from material misstatement arising from fraud or error, and to issue an independent auditors' report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error. If those amounts of misstatements, either individually or in the aggregate, could reasonably be expected to influence the economic decisions of financial statements users, they are considered material.

We have utilized our professional judgment and maintained professional doubt when exercising auditing work according to the auditing standards generally accepted in the Republic of China. We also perform the following tasks:

1. Identify and assess the risks of material misstatement arising from fraud or error within the consolidated financial statements; design and execute appropriate counter-measures in response to those risks, and obtain sufficient and appropriate audit evidence to provide a basis for our opinion. Fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Therefore, the risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error.
2. Understand internal controls relevant to the audit in order to design appropriate audit procedures under the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Taiflex Group's internal control.
3. Evaluate the appropriateness of accounting policies adopted and the reasonableness of accounting estimates and relevant disclosures made by management.
4. Based on the audit evidence obtained, we conclude on the appropriateness of management's use of the going concern basis of accounting and whether a material uncertainty exists for events or conditions that may cast significant doubts on Taiflex Group's ability to continue as a going concern. If we are of the opinion that a material uncertainty exists, we shall remind users of the consolidated financial statements to pay attention to relevant disclosures in the notes to those statements within our audit report. If such disclosures are inadequate, we need to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may result in Taiflex Group ceasing to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements (including relevant notes), and whether the consolidated financial statements adequately represent the underlying transactions and events.
6. Obtain sufficient and appropriate audit evidence concerning the financial information of entities within Taiflex Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the audit and the preparation of an audit opinion on the Group.

Matters communicated between us and the governance bodies include the planned scope and timing of the audit, and significant audit findings (including any significant deficiencies in internal control identified during the audit).

We also provide governance bodies with a declaration that we have complied with the Norm regarding independence, and to communicate with them all relationships and other matters that may possibly be deemed to impair our independence (including relevant preventive measures).

From the matters communicated with governance bodies, we determine the key audit matters within the audit of Taiflex Group's consolidated financial statements for the year ended December 31, 2021. We have clearly indicated such matters in the independent auditors' report, unless legal regulations prohibit the public disclosure of specific items, or in extremely rare cases, where we decided not to communicate over specific items in the independent auditors' report for it could be reasonably anticipated that the negative effects of such disclosure would be greater than the public interest it brings forth.

Others

Taiflex Scientific Co., Ltd. has also prepared parent company only financial statements for the years ended December 31, 2021 and 2020, which we had audited and issued an unqualified opinion.

Attachment II Independent Auditors' Report and 2021 Parent Company Only Financial Statements

Independent Auditors' Report

To Taiflex Scientific Co., Ltd.

Audit opinion

We have audited the parent company only balance sheets of Taiflex Scientific Co., Ltd. (hereinafter referred to as "Taiflex" or the "Company") as of December 31, 2021 and 2020; and the related parent company only statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to parent company only financial statements (including a summary on significant accounting policies).

In our opinion, the aforementioned parent company only financial statements present fairly, in all material respects, the parent company only financial status of Taiflex as of December 31, 2021 and 2020, and its parent company only financial performance and cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for audit opinion

We conducted our audits in accordance with the Regulations Governing the Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements section of our report. We are independent of Taiflex in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China ("the Norm"), and we have fulfilled our other responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are ones that were of most significance in our audit of the parent company only financial statements of Taiflex for the year ended December 31, 2021 based on our professional judgment. These matters have been covered during the audit of the overall parent company only financial statements and in forming the audit opinion. We will not express a separate opinion on these matters. Key audit matters to be communicated on the independent auditors' report are stated as follows:

3. Impairment of receivables

Net receivables generated from the selling of flexible copper-clad laminate and cover layer amounted to NT\$2,877,431 thousand and accounted for 21% of Taiflex's total assets as of December 31, 2021. Hence, it was considered a material item to the Company. Loss allowance for accounts receivables was measured at an amount equal to lifetime expected credit losses. As the measurement of expected credit losses involved judgment, analysis and estimation and the outcome would affect the net accounts receivables, the impairment of receivables was identified as a key audit matter.

Our audit procedures included, but not limited to, the assessment on the appropriateness of expected credit loss rate for receivables, i.e., tests on the effectiveness of internal control established by the management for receivables, random selection of customers for receivable confirmations, and verification of subsequent collections in order to assess the recoverability of receivables. We tested the accuracy of aging, analyzed changes in aging, and assessed the reasonableness of receivables with longer collection terms.

We also considered the appropriateness of disclosures on receivables and associated risks in Notes 5 and 6 to the parent company only financial statements.

4. Inventory valuation

As of December 31, 2021, net inventories of flexible copper-clad laminate and cover layer amounted to NT\$1,264,356 thousand; thus, it was a significant item to Taiflex. Due to uncertainties arising from rapid changes in product technologies, allowance for inventory obsolescence and valuation losses involved significant judgment of management. Hence, it was considered a key audit item.

Our audit procedures included, but not limited to, tests on the effectiveness of internal control established by the management for inventories, such as cost carryover of inventories, assessment on inventory status, evaluation on management's stocktaking plans, and on-site observation of stocktaking at major warehouses to ensure the quantities and conditions of inventories. We assessed the accuracy of inventory aging, analyzed movements in inventory aging, and considered the expected demand and market value of inventories. We evaluated management's analyses and assessments on obsolete inventories, including the estimations on the possibility of inventory realization and net realizable value, and tested whether the allowance for writing down inventories to their net realizable value was adequate.

We also considered the appropriateness of disclosures on inventories in Notes 5 and 6 to the parent company only financial statements.

Responsibilities of management and those charged with governance for the parent company only financial statements

The responsibilities of management are to prepare the parent company only financial statements with fair presentation in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and maintain necessary internal controls associated with the preparation in order to ensure the financial statements are free from material misstatement arising from fraud or error.

In preparing the parent company only financial statements, management is also responsible for assessing the ability of Taiflex in continuing as a going concern, disclosing associated matters and adopting the going concern basis of accounting unless the management intends to liquidate the Taiflex or cease the operations, or has no realistic alternative but to do so.

Those charged with governance of Taiflex (including the Audit Committee) are responsible for supervising the financial reporting process.

Auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance on whether the parent company only financial statements as a whole are free from material misstatement arising from fraud or error, and to issue an independent auditors' report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error. If those amounts of misstatements, either individually or in the aggregate, could reasonably be expected to influence the economic decisions of financial statements users, they are considered material.

We have utilized our professional judgment and maintained professional doubt when exercising auditing work according to the auditing standards generally accepted in the Republic of China. We also perform the following tasks:

7. Identify and assess the risks of material misstatement arising from fraud or error within the parent company only financial statements; design and execute appropriate counter-measures in response to those risks, and obtain sufficient and appropriate audit evidence to provide a basis for our opinion. Fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Therefore, the risk of not detecting a material misstatement resulting from fraud or error is higher than for one resulting from error.
8. Understand internal controls relevant to the audit in order to design appropriate audit procedures under the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Taiflex's internal control.
9. Evaluate the appropriateness of accounting policies adopted and the reasonableness of accounting estimates and relevant disclosures made by management.
10. Based on the audit evidence obtained, we conclude on the appropriateness of management's use of the going concern basis of accounting and whether a material uncertainty exists for events or conditions that may cast significant doubts on Taiflex's ability to continue as a going concern. If we are of the opinion that a material uncertainty exists, we shall remind users of the parent company only financial statements to pay attention to relevant disclosures in the notes to those statements within our audit report. If such disclosures are inadequate, we need to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may result in Taiflex ceasing to continue as a going concern.
11. Evaluate the overall presentation, structure and content of the parent company only financial statements (including relevant notes), and whether the parent company only financial statements adequately represent the underlying transactions and events.
12. Obtain sufficient and appropriate audit evidence concerning the financial information of entities within Taiflex Group to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision, and performance of the audit on those investees and the preparation of an audit opinion on the Group.

Matters communicated between us and the governance bodies include the planned scope and timing of the audit, and significant audit findings (including any significant deficiencies in internal control identified during the audit).

We also provide governance bodies with a declaration that we have complied with the Norm regarding independence, and to communicate with them all relationships and other matters that may possibly be deemed to impair our independence (including relevant preventive measures).

From the matters communicated with governance bodies, we determine the key audit matters within the audit of Taiflex's parent company only financial statements for the year ended December 31, 2021. We have clearly indicated such matters in the independent auditors' report, unless legal regulations prohibit the public disclosure of specific items, or in extremely rare cases, where we decided not to communicate over specific items in the independent auditors' report for it could be reasonably anticipated that the negative effects of such disclosure would be greater than the public interest it brings forth.

Ernst & Young, Taiwan
